At the top, there is a navigation bar with the district logo and links for About, Schools, Directory, Careers, and Calendar. Below this is a header image of diverse children. The main content area features a login form with fields for Username and Password, and a LOGIN button. A 'Forgot your password?' link is also present. To the right of the form, there is a disclaimer about the system's governance and a red 'PLEASE NOTE' regarding maintenance on Sunday mornings.

2. Click on the 3 bar menu on the top left and choose the bottom option for More.

3. Click on the top choice: Address Information and there will be a button to update your phone number. Be sure to click update in the bottom right once you have entered your new number.

Below the title, there is a message: 'Below is your student's current household information. You may update the telephone number of your household on this screen. If you have any other corrections to this information, please contact your student's school directly.' There is a form with a 'Phone' field and an 'Update' button.
